INFO: ES, MIB, FOB

Operational/CALL/CASE

Class U-GUFF

REF: KOGA-37449 (Not to MIB)

1. Subject, born 20 July 1916 in Petersburg, Russia, is a Ukrainian who offered his services to the Germans in Kiev in World War II. He served among other things as interpreter for General WMO (NSLA-1291) and worked with the SD and the NSDAP. After World War II, he worked for KIPPER's CI Field Base as V-2626, # Oleg UZAROVY. As late as 1953 he was still carried as a KIPPER CI Field Base "Special Consultant" for Russian and Polish emigre matters (NSLA-6746).

2. In the spring of 1954, a Dr. ALBERTI (Reg. File No. [REDACTED]), now with the KIPPER Headquarters CI Section, told me that he still runs Subject personally for general emigre information and that ALBERTI considers him one of the best and most reliable men in emigre circles. In order to be able to keep his lines open to as many groups as possible, he has purposefully avoided taking a leading role in emigre politics. In view of his special status in connection with the report on Russian and Polish emigration, we call Subject's existence to the attention of NSD and FOB requesting any information on his currently available or that may come to light in the future.

3. Subject has resided from at least 1948 to date in Karlsruhe, Marie Alexanderstr. 10. He has also given as addresses probably either temporary or accommodation: Weilheim/Bavaria, Parchetreibung #2, c/o Olga GART (1949); and Ettlingen/Baden, Bahnhofstrasse (railway post office general delivery), c/o Frau KALININ.

4. KIPPER travel records indicate travel to and/or through the following towns among others: Ettlingen, Berchtesgaden, Kitzbühel/Wienerwald, Munich, Lichtenfels, Würzburg, Frankfurt, Bamberg, Bad Reichenhall, Kitzbühel, Mittenaar, Freising, Sterzing, Immenstadt, Kempten, Tutzing, Sonthofen, Flossingen, Erlangen, and Neulengen.

5. According to NSLA-10413, Subject was a fairly frequent visitor at the apartment of Nikolai ZABAROV & ROMIN, born 24 April 1904 in Ashkhabad, ex-KGB colonial who emigrated to the U.S.A. in January, 1952, after several years of service for KIPPER CI Field Base (L).

NOTE: (b) Mr. ALFRETTI, who during his days with the CI Field
Bureau had the responsibility of dealing confidentially with
a South and members of his group, describes them to me as
"really low types and 'hustlers'."
